BONUS TO PASS LATE TO-DAY WITH RULES SUSPENDED

DEBATE ON BONUS ACRID AS HOUSE

'Gag Methods Adopted So Vote on Bill Can Be Taken Late This Afternoon.

DIVISION 276 TO 126.

Party Lines Are Broken, But Leaders Feel Certain of Passage.

WASHINGTON, March 23 .- Pass age of the four billion-dollar Soldiers' Bonus Bill by the House before adjournment was made certain to-day with the adoption of a resolution pro ure under a suspension of the rules.

The vote on the resolution was 22 to 121 and was without a roll call. eviously the House had adopte

h motion for the previous question by a roll call vote of 276 to 128. As the roll call proceeded, there was more than usual hubbun on the floor and those in the crowded galleries, strangers to Congressional customs, looked down in surprise as the members milled shout 't' ng an' 1 and ing while she also a read the 435 names on the list. Those voting were forced to shout at the top of their voices in order to have their

stimate by Treasury Is Based on Reported Collection for March 15.

WASHINGTON, March 23. On the basis of reported collection of income and profits taxes of the March 15 instalment a. shortage of \$200,000,000 in the estimated revenues from these sources for the calendar year 1922 was estimated to-day by the Treasury.

Original estimates of revenues from income and profits taxes for the calendar year, high officials said, were \$1,740,000,000, while returns from the March installment now indicate the total for the year will be \$1,540,000,000.

Decision Is Made on Advice of Special Counsel Clarence J. Shearn, Who Said Governor's Action Left No Jurisdiction.

Mr. Hedley and Mr. Quackenbush Dismayed at the Signing of the Amendments Which Block Raise-Gov-· ernor's Sharp Comment.

ALBANY, March 23. - The amendments to the Transit Commission Act became effective at 1 o'clock yesterday morning, Gov. Miller announced to-day, although he did not sign

The application of the Interborough Rapid Transit Company for a higher fare was virtually rejected today for want of jurisdiction by the advised that the commission was without power or jurisdiction to consider the application for the reason that Gov. Miller yesterday signed the from traction corporations who re main outside the realm of the proposed transit plan of unification of

the various systems. Judge Shearn advised the commission that the law does not recognize fractions of days in determining the time a law becomes effective, and therefore, to all intents and purposes, the amendment to Section No. 49 of the Transit Law was in full force and effect all day yesterday so long as the Governor signed the bill at some time during that day.

Before Commissioners McAnens and Harkness, who were on the ros-Chairman called for any statemen that James L. Quackenbush, counse for the Interborough Company, might care to make. Both Mr. Quackenbush and President Hedley, who sat beside him, were visibly shocked at Judge Shearn's advice to the Com-

"UNCONSTITUTIONAL," SAYS COUNSEL FOR INTERBOROUGH. Mr. Quackenbush declared he

hought that the Governor's not of esterday in mining the amendment to e bili was unconstitutional, because s nonendment itself is unconstituonal. He said: "We certainly never aticipated such a rapid movement the Executive pen. To this Judge Shearn stated: While Mr. Quackenbush and

rate the effect of this statute by calling upon the Governor to hold public hearing on the bill, they were i the same time working in the diction of attempting to obtain an inseased fare. If the Governor had not good the bill as he did yesterday, no louis there would be in here this note or types of hundreds incher applications for more fare Phis commission is without jurisdics to entertain this application for nereased fare, and I ndvise you to ill was already law at the time the plication was made.

Mr. Quarkenbush attempted to prose a decision right there and then om the two Commissioners on the but Commissioner Harkness explained that as Gen. O'Ryan was taken, but Chairman McAneny spoke
